

Who was Prophet Muhammad ﷺ?

Prophet Muhammad ﷺ believed that there was only one Allah. He ﷺ would often get sad because people do not believe on Allah ﷻ. At the age of 40, He ﷺ received prophethood through Angel Jibril (r.a) in the cave of “Hira”. Jibril (r.a) commanded Prophet Muhammad ﷺ to read some verses of Surah “Al-Alaq”.

Prophet Muhammad ﷺ repeated the verses thrice, just as Jibril (r.a) had said them. He was so obedient and respectful while revising the first message of Allah (s.w.t).

He ﷺ was afraid and rushed out of the cave Hira. He ﷺ returned home to Khadijah (r.a) who believed in him.

She gave Him ﷺ motivation with great respect by saying that People will trust Him ﷺ because He ﷺ is known as “Sadiq” and “Ameen”.
